Description of Sycamore Distance Learning (DL) Options School Year 2020-21

OUR CURRENT PROGRAM:

Short-Term DL:

- All student attend class virtually every day according to our “distance learning” bell schedule.
- **No further action** is required by student or family. We’ll “see” you online August 31.

ONCE IN-PERSON LEARNING IS ALLOWED TO HAPPEN, THERE ARE TWO OPTIONS:

In-Person Learning

- Students are expected to return to school.
- A re-entry plan, revised bell schedule, possible cohort groups, safety protocols and other details will be shared with families.

-----OR-----

Long Term DL

- *****A parent/guardian will be required to enroll student in this program with the school office.**
- Student is assigned a Long Term DL teacher at Sycamore who manages his/her assignments.
- Student must engage in person or online with the teacher for one hour a week, scheduled during school hours.
- Student completes assigned work independently on his/her own schedule.
- All instruction is through the new Edgenuity online program. There is no “direct instruction” from a Sycamore teacher. Edgenuity offers “live” tutoring.
- Work is graded in Edgenuity and recorded in Aeries.
- Attendance is based on work completion. Students not completing work will be considered truant by law and be subject to mandatory attendance laws and consequences.
- If desired, the student may return to in-person learning at the beginning of the next quarter.
