ADMINISTRATOR’S MESSAGES

Greetings Bullpup Families,

Welcome to a new and exciting school year. I continue to be honored to be a part of such a successful and collaborative school district. Please take a moment to come say hello.

At Sycamore Middle School, we have two focused, ongoing goals. First, our school will be an exemplar of safety and respect for students and staff. We will model our scholarly values of Responsibility, Integrity and Respect. We have a dedicated team of staff members who fully support and implement our Positive Behavior Intervention and Support framework (see pages 6-9) that includes consistent rewards and consequences for desirable and undesirable behavior respectively. Second, students will achieve at high academic rates. All teachers are in professional collaborative teams, sharing courses so that they can plan together, give common assessments, analyze student data, compare successful instructional strategies, and ultimately improve student outcomes in every course and grade level.

To accomplish our goals, we benefit from the partnership of families. Please consider joining our School Site Council, English Learner Advisory Committee and 8th grade parent group. Connect with us on Facebook at <http://www.facebook.com/sycamoremiddle school> and Twitter at @sycamorebullpup. Our office staff and administrators are always available to you, and I encourage you to stop by to share your thoughts and questions. Our doors are open.

It's a great year to be a Bullpup.

Kelly Haight

Principal, Sycamore Middle School

SCHOOLWIDE BEHAVIORAL EXPECTATIONS (PBIS)

The main focus of Positive Behavioral Interventions and Supports (PBIS) is to provide *a clear system for all expected behaviors* at Sycamore Middle School (SMS). Sycamore will provide a positive, safe, healthy, nurturing, and respectful environment in which all students have the opportunity to progress academically and to become productive members of society. PBIS is a research-based system which aims to decrease behavioral infractions showing year after year improvement. PBIS assists towards this end as it is based upon the concept of teaching behaviors that will prevent noncompliance. The implementation of PBIS promotes the following:

- Communication and collaboration between administration, staff, families, and community
- Maintenance of an open-ended flexible approach through the use of a data-driven informational system
- Educationally sound methods that foster student character, safety, academic excellence, and citizenship
- Scholarly behavior in the Sycamore Way:

1. **The Bullpup Scholar Commitments:** A small number of clearly defined behavioral expectations:
 - **Responsibility**
 - **Integrity**
 - **Respect**
2. **Behavioral expectations that are explicitly taught:** The behavioral expectations are taught to all students on campus, and are taught in real contexts. Behavioral expectations are taught using the same teaching formats applied to other curricula. The general rule is presented, the reason for the rule is discussed, positive examples (right way) are described and modeled, and negative examples (wrong way) are explained. *Students are given an opportunity to practice the “right way” until they demonstrate fluent performance.* Teaching appropriate behavior involves much more than simply telling students what behaviors they should avoid. Refer to the behavioral matrix below for examples.
3. **“Character Strong” Education:** We believe that students want to exhibit qualities like kindness, empathy, determination, and do good for others, but sometimes lack the skill set to do that. CharacterStrong is a curriculum that will teach students the necessary skills needed to help cultivate more meaningful relationships, to communicate kindly and effectively even if they disagree, to foster a growth mindset, and build resilience. These are skill sets necessary not just in school but beyond. Lessons are delivered once a week in 5th period, or “Pup Time”, and further reinforced by our student leaders in Leadership class. We want students to leave not just academically strong, but Character Strong.
4. **Appropriate behaviors are acknowledged:** Once appropriate behaviors have been defined and taught, students will be acknowledged on a regular basis by all staff members. Examples of acknowledgement include special treatment, raffles, postcards sent home, and "Scholar Dollars" that may be exchanged for goodies, school supplies and/or privileges.
5. **Behavioral errors are corrected proactively:** When students violate behavioral expectations, clear procedures are in place to provide them with education that their behavior was unacceptable and to prevent the unacceptable behavior from being perceived as rewarding. There must be clarity to students, families, teachers, and administrators about what will occur when behavioral violations are identified.
6. **Minor Behavior Violations:** After repeated behavior instruction and intervention by the classroom teacher, some behaviors will rise to the level of a Minor Violation. Minor Violations are recorded in the student information system for the purpose of record keeping and school-wide behavior data analysis.

The following are considered Minor Violations: inappropriate language, physical contact/horseplay, dress code violation, tech violation, insubordination/noncompliance, disrespect, disruption, property misuse, tardy, minor bus violation, cheating/plagiarism/forgery.

Classroom teachers may use any of the following consequences for Minor violations: counsel student, send to buddy classroom, parent contact, detention, time out of the classroom, “Think Like a Bullpup” worksheet, and others at the teacher’s discretion. Students are not sent to the office for Minor Violations.

7. **Major Behavior Violations:** Some behaviors and incidents require more immediate solutions and/or the attention of the administrator. These are called “Major Incidents.” The observing staff member completes a behavior referral and the student will be sent to the office. The administrator will speak with the student and contact the parent if needed, and determine an appropriate consequence. When a student returns to class s/he will be welcomed. A variety of factors are taken into account while processing a major referral, therefore the consequences that are assigned will vary from student to student.

The following are considered Major Violations: chronic staff managed behavior, abusive/profane language, fighting, physical aggression, major or repeated defiance, harassment (ability, sexual, gender, religious, racial, other), major or repeated disruption, property destruction, cell phone/personal device use, bullying (verbal, emotional, physical, cyber), skipping class, major bus violation, leaving school grounds, gambling, theft, obscene act, drug or alcohol possession/use/distribution, gang-related offenses.

Administration may use any of the following consequences for Major Violations: loss of privilege, time in office, conference with student, parent contact, detention, loss of extra-curricular activities (rally, dance, athletics, field trips, etc.), Saturday School, in-school suspension, out-of-school suspension, expulsion, and others. These consequences are at the discretion of the administrator.

8. **Teacher and Staff Responsibilities**

- Teachers define, teach, model, and practice each of the Bullpup Scholar behavioral expectations.
- Teachers display and reinforce the classroom expectations.
- Teachers implement targeted classroom interventions consistently and with fidelity.
- Teachers teach common school-wide lessons on appropriate behavior.
- Teachers and Staff develop and/or use PBIS established strategies for recognizing students who exhibit Bullpup Scholar behaviors and classroom expectations.

9. **Student Responsibilities**

- Sycamore Middle School students are expected to abide by all laws, follow all school rules, and behave in a responsible manner.
- Students are expected to respect the authority of all staff and immediately respond to all directions given by them.
- Students are also expected to respect the rights and property of others.

10. **Positive Supports**

- **The Student of the Month:** On a monthly basis, teachers nominate students whom they feel best exemplify the Bullpup Scholar Commitments of Respect, Integrity, and Responsibility. All students who are nominated are provided certificates and attend the Student of the Month Lunch.
- **Scholar Dollars** are tickets that students are given when Sycamore staff notice a student is being a Sycamore Scholar. Students collect the Scholar Dollars and can exchange them for various rewards around school.
- **Parent Postcards:** A postcard mailed home acknowledging a student’s outstanding work and/or academic improvement.
- **Attendance Recognition:** We will recognize students' efforts in consistently being at school, on time, ready to learn. We host an occasional **No Tardy Party** for those without tardies for a period of time.
- **Awards Ceremony:** In late May, Sycamore Staff will acknowledge various students for their academic and behavioral success at an evening event.

ANTI-BULLYING POLICY

In accordance with Board Policy, Sycamore Middle School administration and staff are sensitive to and concerned about incidences of bullying on campus. We can only effectively stop bullying when we are made aware of the situation when it first develops. ***Please, if you are aware of a situation involving bullying, contact Sycamore’s Administration, School Counselor, or your student’s teachers. Sycamore Middle School prohibits bullying at any location or activity under the jurisdiction of the school system. Any student who engages in bullying may be subject to disciplinary action up to and including expulsion. If the complainant or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact the Principal. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.***

Cyberbullying

- Cyberbullying is the same as above but includes “using technology” including but not limited to cell phones, computers, tablets, or any other electronic device.

Confidentiality

Reasonable efforts will be made to keep a report of bullying and the results of the investigation confidential. Witnesses should be informed of the confidential nature of the investigation and should be asked to refrain from disclosing the nature of the investigation to others.

Retaliation Prohibited

The initiation of a report of bullying will not reflect on the reporting student or witnesses in any way. It will not affect the student’s future relationship with the school system, grades, classes, or other matters pertaining to his/her status as a student in any program. It is a violation of this policy to engage in such retaliation.

2. Excused absences for appointments (such as doctor, dentist, etc) and other serious family obligations are possible exceptions, subject to interpretation by administration.

Practice and game participation guidelines

1. Athletes are expected to be on time for practice, contests, and classes. Coaches may impose penalties for tardiness and absences up to dismissal from the team for excessive absences.
2. If an athlete is absent from school, he/she is expected to notify the coach as soon as possible.

Suspension from school

Student athletes who are suspended from school will be ineligible to participate in any practice or contests for the duration of their suspension. The period of ineligibility is in effect during weekends and holidays.

*Coaches may assign additional consequences in addition to those outlined in this policy.

Parent Responsibility

Parents and guardians are essential partners in maintaining a safe, educational and enjoyable experience for students. When present at the District's events, including athletic games, practices, and co-curricular activities, they are expected to model the kind of citizenship and sportsmanship that is expected and required of students. Practices are closed to parents unless prior permission is granted by the coach.

Communication Involving Coaches, Athletes, and Parents

Our goal is to establish clear lines of communication between coaches, athletes and parents.

Communication involving potentially emotional or disputable information should take place at a pre-scheduled time and place. Parents may not ask a coach to respond to concerns before or after practice or contests. Player concerns must be brought to the coach's attention first by the athlete. If concerns continue the parent may request a meeting with the coach.

STUDENT PARTICIPATION OPPORTUNITIES

Student Dances

When held, school dances occur from 4:30-6:30 p.m. on designated Wednesdays and are for Sycamore Middle School students only; guests are not allowed. No outside food, beverages, backpacks, or gum are allowed. Hats and phones are allowed. If a student needs to be picked up early from the dance, a parent must be present or give verbal permission to the administrator or designee before the student will be allowed to leave. No student may leave the dance without parent permission. Students who leave the dance are not permitted to return. Students must be picked up immediately at the conclusion of the dance.

Student Government

The student council is the governing body of Sycamore Middle School students. It is charged with the responsibility of furthering the interest and welfare of the school and each student. The student council consists of the President, Vice President, Secretary, Treasurer, Publicity Chair, Historian, Spirit Leader and representatives. School-wide elections are held for each of these positions at the end of the school year for the following school year.

California Junior Scholarship Federation (CJSF)

Students are eligible to apply for membership in the California Junior Scholarship Federation (CJSF). CJSF is a statewide service organization that encourages excellence in academics and citizenship. Application for membership must be made each semester. Grades used to determine eligibility will come from grade level math, language arts, science and social science. Successful applicants will have earned at least 8 points in the four subjects with A=3 points, B=1 point, and C=0 points. Any D or F grade in any subject will automatically disqualify a student for CJSF. CJSF members are expected to maintain scholarly behaviors during their membership. Any student who maintains CJSF membership at least one semester of the seventh grade and at least two semesters of the eighth grade may qualify as a CJSF honor student at graduation ceremonies.

Eighth Grade Graduation and Special Eighth Grade Activities

All eighth graders will be expected to participate in the graduation ceremony. However, the ceremony is a privilege, not a right.

The following are the minimum requirements for eighth grade graduation, participation in the graduation ceremonies, and special eighth grade activities:

- The promoting student must have achieved a minimum grade point average of 1.0 in all classes during the eighth grade school year.
- The promoting student may have no more than four “F”s or for the entire year and during the fourth quarter may receive no more than one “F” or in all classes.
- A student may have no more than two “F”s or in a single subject throughout the year.

- Additional criteria exist during the last four weeks of the school year (see page 9):
 - Student received no more than three (3) “Major” behavior violations.
 - Student did not get in-school or out-of-school suspended.
 - As always, the administrator has the ultimate discretion.
- Students who do not meet these requirements will not be allowed to participate in the graduation exercises and the related activities, and will not receive a certificate of graduation.

The use of sweatpants and sweatshirts during cooler weather are optional. At the end of the class period, students will change back into their regular school clothes. The P.E. teachers will distribute more specific guidelines and contracts to your student. Parents and students will be asked to sign and return the contract.

Schedule Change Requests

Schedule change requests will not be considered after the second week of each quarter. Requests to change teachers within a subject matter will not be honored until a meeting has taken place between the parent/guardian and teacher; administration may be invited. All approvals for requests are at the discretion of the administration.

School Materials: Textbooks, Chromebooks and Library Books

Each student is responsible for the books and Chromebooks checked out to him/her throughout the school year. Any lost or damaged items are to be paid for by the student. If items are not paid for, the student loses the privilege of participating in end-of-year activities (field trips, athletics, graduation, etc) and report cards/diplomas will be held in the office until fines are paid.

SCHOOL ACCOUNTABILITY REPORT CARD

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school.
